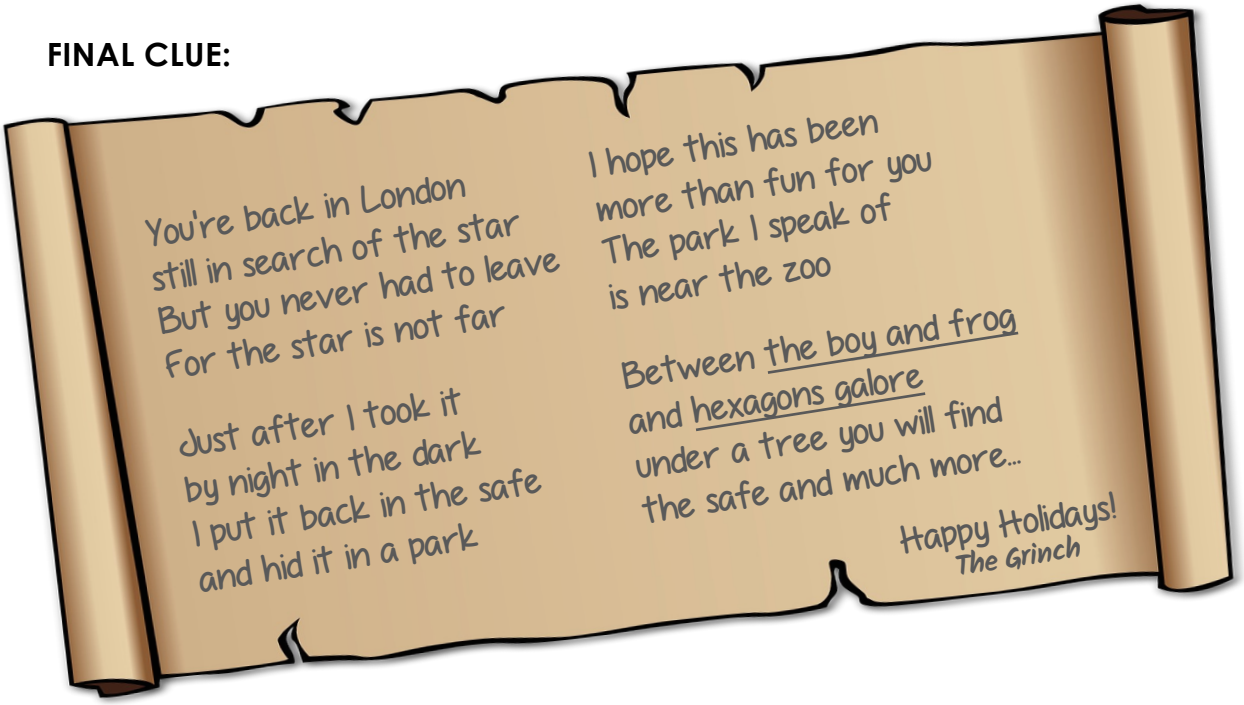
Puzzle Sheet

FINAL CLUE:



THE LOCATION of the Safe: The __ __ __ __ __ __ 's Park
(word)

TO OPEN THE SAFE:

You need the combination (password) to unlock the safe. First, on your notetaking sheet, cross out any word clues that have fewer than 4 letters or more than 10. Then, cross out the remaining word clues in the word search below.

N	C	J	R	O	S	S	H	O	J	U	T	A	L	L
O	C	A	C	L	U	C	E	A	N	E	D	E	W	S
R	I	N	S	T	U	H	P	A	T	A	R	A	E	N
T	T	U	U	O	M	A	B	E	R	S	W	U	I	T
H	C	A	P	H	N	M	O	R	E	T	H	H	A	N
E	R	R	F	E	F	L	A	S	H	L	I	G	H	T
R	A	Y	S	O	U	R	D	Y	A	L	P	N	I	G
N	I	E	N	I	A	G	A	R	A	T	S	O	U	C
H	S	I	F	G	N	I	Y	L	F	K	X	S	T	S

The password is: __ __ __ __ __ __ __

NEXT STEP

On another sheet of paper. write the letters not crossed out in the word search, from *top to bottom* and *left to right* until you have a sentence of exactly 12 words. Here is a hint that might help you:

5-3-3-5-4-3-7-4-4-4-4-6

FINAL STEP

Fill in the password by following the directions you uncovered in the word search. The password is the *first three letters* in the name of the park in which the safe was located, followed by a number: the sum of the numbers not crossed out multiplied by 5.
