PENTOMINO TURKEY

Visual-Spatial Task for 1st -3rd

Task: Students are challenged to build the turkey, as shown on the next page, using pentomino shapes, die-cut shapes, or digitally on this site.

Needed: Colored copies of the next page (or displayed on a screen)
Pentomino shapes needed for construction of one turkey:

Note: Colors are easier to distinguish on screen than in a colored printout.
The challenge is to build the turkey without an outlined worksheet.
